

Guerrilla Warfare Name:

Bring completed HAP to class on Monday, November 11.

Key Terms: Define and explain the historical significance of the following in Latin America:

- Guerrilla Warfare (the form of warfare)

- *Guerrilla Warfare* (the book)

- Che Guevara

- Foco Theory

- FMLN

- Shining Path

Historical Analysis

1. Analyze the brief excerpt from Guevara's 1960 *Guerrilla Warfare* (190-191).
 - a. What argument does Guevara make?

 - b. What evidence does he present to support his argument?

 - c. Who might these ideas appeal to, and why?

2. On page 205, Becker asks "to what extent is guerrilla warfare an inherently male undertaking?" What do you think he means by this question? What evidence does he present in the chapter to let you respond to this discussion question?

Characteristics	Colombia	El Salvador	Peru
Goals: Reform or Revolution?			
Causes for mass frustration			
Elite divisions			
Cross-Class alliances?
