

Mapping Militant Organizations Name:
Bring completed HAP to class on Wednesday, November 13.

Terms: Define and explain the historical significance for Latin American history:

- Fuerzas Armadas Revolucionarias de Colombia (FARC, Revolutionary Armed Forces of Colombia)
- Ejército de Liberación Nacional (ELN, National Liberation Army)
- Autodefensas Unidas de Colombia (AUC, United Self-Defense Forces of Colombia)
- Bandas Criminales (BACRIM, Criminal Bands)

Historical Analysis

1. Reading the militant group profiles, what stands out about these groups' revolutionary goals and tactics?

(Continues on reverse)

2. Explore the “map” of Colombian militant groups

- What are the goals of the Stanford University researchers producing Mapping Militants?

- What kinds of primary and secondary sources do they use?

- Thinking as a historian, what kinds of research questions can you answer with this tool?

- What advantages does this digital visualization have over a traditional scholarly article about the Colombian rebels?

- What disadvantages do you see?

- Your evaluation of the project:
